

Dear Quogue Residents,

Some of you received a notice yesterday from the Suffolk County Board of Elections telling you that your polling place for this primary election only is the Eastport Elementary School at 390 Montauk Highway in Eastport. Therefore, contrary to my email of yesterday, you will not be voting at the Quogue Fire Department. We believe that this temporary change was caused by the coronavirus considerations. You also are able to vote early through June 21 at the sites listed at this link: <https://suffolkcountyny.gov/Departments/BOE/Early-Voting-Sites-6-23-2020>

Peter Sartorius
Mayor
