

# The Quogue Village Voice

## Beach Access

Some residents have asked how they might access the beach in Quogue to take a walk now that the access at the Village Beach is not possible because the stairs were washed away earlier this Fall and the vehicle access ramp is not usable because of an approximately 15 foot vertical drop on the seaward side. The answer is Beach Lane on the south side of the canal adjacent to the Surf Club. That road is a public street that goes between the private Surf Club properties on each side. At the end there is a path over the dune (pedestrian only, unless you have an appropriate vehicle and a valid Southampton Town beach driving permit). While there is normally no parking on this part of Beach Lane, we have temporarily suspended this restriction, and the "No Parking" signs have been covered along the fence on the west side of the road and on the bulkhead at the end. Be aware of the possibility of vehicles using the ramp, particularly if you have pets or children, and use appropriate caution.

## Last Weekend for Leaves

Leaves must be piled out by the street not later than this Sunday, December 15<sup>th</sup>, in order to be picked up by the Quogue Highway Department. Remember that the leaves should be loose and free of sticks and brush.

We wish everyone a very healthy and happy holiday season.
