

Dear Quogue Residents,

Some people have asked how they might contribute to help those less fortunate during this crisis. While there are a lot of worthy charities in the area, here is a link to the United Way, which is sponsoring a fund specifically designed to help people in Suffolk County:

<https://www.unitedwayli.org/covid19helpsuffolk>

Throughout the Village we see record numbers of bikers, runners and walkers. That is great. We all can use the exercise. Just remember to keep at least six feet between you and your companions and wear a mask for the protection of others if you are interacting with them. For the dog walkers among you, remember that it is your duty to clean up after your animals and take the plastic bag home or deposit in a waste container. Do not leave them by the side of the road or put them in a storm drain. If you need any further incentive to do the right thing, the Village Code provides for fines for violators.

Stay safe, everyone!
